

## REMARKS

The abstract has been amended as requested by the Examiner to eliminate legal phraseology. The specification was also amended to describe the new reference designations E<sub>1</sub>, E<sub>2</sub> and E<sub>3</sub> for the potentials in Fig. 1 and also the more appropriate German English translation "doctor Blade" instead of "scraper" has been set forth in the specification and claims

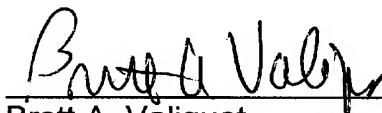

The drawings were amended to provide formal drawings and also to show the electrical voltages as requested by the Examiner and the rotation of the raster roller direction as requested by the Examiner.

The claim objections are avoided by the amendments herein.

Applicants acknowledge the allowability of all claims and request that the Examiner pass this case to issue.

The Commissioner is hereby authorized to charge any additional fees which may be required, or to credit any overpayment to account No. 501519.

Respectfully submitted,

(Reg.No.27,841)
